NEWS RELEASE

Friday, May 31, 2013. Vancouver, British Columbia – Green Arrow Resources Inc. (formerly Bulldog Explorations Ltd.) (the “Company” or “Green Arrow”) reports that it will be seeking, at the annual general and special meeting of all its shareholders scheduled for July 10, 2013, shareholder consent to a proposed consolidation of its share capital on the basis of 8 (eight) pre-consolidation common shares for 1 (one) post-consolidation common share, and authorization for the board of directors of the Company, at any time within 12 months following the annual general and special meeting in its absolute discretion, to determine whether or not to proceed with an approved consolidation without further approval, ratification or confirmation by the shareholders.

The proposed consolidation would result in the number of issued and outstanding Common Shares of the Company being reduced from 20,000,000 Common Shares without par value to 2,500,000 Common Shares without par value, assuming there are no other changes in the issued capital of the Company. There is currently no maximum number of authorized common shares. The consolidation is being proposed in order to allow the Company greater flexibility in future financings, and is subject to the approval of the shareholders and the TSX Venture Exchange (“TSX.V”). A change of the Company’s name is proposed if the Company proceeds with the consolidation, subject to acceptance for filing by the TSX.V.
